BoycottTrump, By Nathan Lerner, an app on iTunes. <https://itunes.apple.com/us/app/boycotttrump/id1171663655?mt=8>

“Created by the Democratic Coalition Against Trump, Boycott Trump is the first app of its kind, allowing users to hit Trump where it hurts most - his wallet. Search through over 250 companies and people to see they're directly connected to Trump. Make Trump and his allies pay, literally, for their hateful rhetoric and regressive policies. Use consumer action to take a stand for what's right!

We all know how Trump Towers and Trump Steaks are connected to Trump, but did you know Nike, MillerCoors, Johnson & Johnson, Gucci, and many other major companies can all be directly linked to him as well? Find out how!

About Boycott Trump was created by the Democratic Coalition Against Trump as a means of empowering people to take against Trump beyond the 2016 election.”
